

Environmental Policy Statement

The company is committed to:

- Assisting our customers to meet statutory and regulatory requirements and with identifying best practice through use of our range of products and services.
- Prevention of pollution by identifying environmental risks and implementing appropriate controls and operating procedures.
- Providing employees with all relevant information, resources and appropriate training with respect to environmental operating requirements.
- Enabling employees to develop their skills and knowledge to the mutual benefit of both the employee and the company.
- Compliance with legal and other requirements that are applicable to our own operations.
- Providing a safe working environment for its employees.
- Striving continually to improve environmental performance including the setting and reviewing of measurable objectives.
- Maintaining a Management system that conforms to the requirements of ISO 14001:2015.

Andel Ltd regards environmental; performance as being the responsibility of all persons who work for, or on behalf of, the company and expects everyone to act in a manner that supports this policy and to report non-conformances in a prompt manner.

This Policy Statement has the total support of the whole management team and is effectively implemented and maintained throughout the organisation.

Signed: 

Peter Double

Managing Director
